

A GLOBAL COMMUNITY OF LEADERS CHAMPIONING INCLUSIVITY, PROGRESS, AND EXCELLENCE

Our mission is to position women qualified through Harvard Business School Women on Boards and other equivalent Harvard corporate governance programs to serve on corporate boards across the globe through networking, peer support, and board-relevant education.

Our vision is to be pioneers of gender equality and promote corporate governance excellence in boardrooms across the globe. Our culture, characterized by selfless leadership, solidarity, and unity among members, shapes our identity and sets our network apart.

Our core values center around a steadfast commitment to the success of our members, fostering both internal and external professional connections, and having the courage to challenge the status quo within the corporate sector.

BOARD EXPERIENCE

More than half of our members bring valuable board experience, spanning various sectors such as private, public, nonprofit, government, and advisory roles.
